

# Celestial

For presentations that command a really big splash, pour it on with our *Celestial*. Like a true achiever, this award possesses sparkle and a sweeping motion that does well to symbolize the motivated path to one's success. Display in direct light and notice how images of the cut stars are sprayed about. *Celestial* is a Theme-Award that echoes the style of one for whom success and destiny are forever intertwined.

A romance card elaborating this theme is included for your presentation. Another J.Charles Theme-Award original.
