

Studio

A simple yet dynamic line adds interest to the no-nonsense styling of the *Studio* award. Made of jade crystal, its bevel lends color and attention to the top oblique. A minimal approach carried out by its stainless support and chrome-plated sphere.

Pinnacle

Challenge, strength, and endurance are just a few of the things symbolized by a mountain. When viewing a mountain we see the journey and the destination at a single glance. Designed to express these emotions, this award answers to those seemingly capable of moving mountains. Cut from Starphire Crystal, the *Pinnacle* is held in place by its easel and chrome-plated sphere.

For aesthetics we recommend reverse-etching your award inscription and positioning your logo as shown. A romance card elaborating this theme is included for your presentation. Another J.Charles Theme-Award original.
