

Forte Perpetual Plaque

When a mundane wall plaque won't do, recognize Directors, MVPs, Club Champions and Super Heroes in a manner that is commensurate to their contributions. This J.Charles original is designed such that new names can be added as needed. There is no need to return the plaque every time you need to make an addition. Simply give us the new recipient's name and we will etch a blue crystal plaque plate and send it to you. No screws, no glue, no complicated assembly – just slide the new plaque plate in place and you're ready to roll. Made from nine pounds of pure optic crystal and textured aluminum channels, the *Forte* holds up to 13 names. Please note that the price includes one plaque plate only. Additional plates are priced as shown.
