

World Class Cup

Honor world class performances with our *World Class Cup*! The designers at J.Charles add a twist to the traditional trophy cup and a theme as well. Very heavy. Very brilliant. Very fitting for organizations with a global presence. Also available without the etched globe.

A romance card elaborating this theme is included for your presentation. Another J.Charles Theme-Award original. Please note that the nature of mouth-blown hollowware often produces bubbles and other imperfections and are not considered defects.
