

Trendsetter Stemless Wines

As seen in Sonoma's trendiest restaurants, stemless wine glasses are now the hippest way to serve up wine. This clever break with tradition is shaped like the bowl of finer wine glasses and is designed with function in mind. Available in a 21 oz. or 15oz. capacity, the Trendsetter is a good match for a variety of fine wines.

Esperienze

This newly patented wine glass was designed to enhance the experience of drinking fine wines and champagne. The stair-stepped base of the bowl means that more surface area of the glass is in contact with the wine, allowing it to oxygenate faster, thus enhancing the bouquet and the taste. The bowl also is smartly tapered to hold the bouquet as preferred by professional tasters. Choose Esperienze and choose the ultimate in form meets function. A romance card describing the benefits of this style is included with each set.
